

## Backpack of Food Ministry

TWC's weekend "Backpack of Food" ministry provides meals for elementary students whose access to food is limited when not in school. Each backpack contains two main meals per day. If you would like to help be God's hands and feet for these children, please consider purchasing an extra NON-PERISHABLE item when you shop for groceries. Individual-sized portions or items requiring minimal additional ingredients, preparation, or refrigeration is most helpful. There is a collection box under the coat racks in the main vestibule.

Examples of possible food items to consider:

- Cans of soup, stew, chili, ravioli, beans, etc.
- Canned meats (tuna, chicken, ham, etc.)
- Peanut butter (currently there are no allergies)
- Oatmeal packs, multipack small cereals, BelVita, or similar breakfast items
- Fruits in individual packs, cups, or cans
- Boxes of Mac & Cheese
- Healthy snacks in individual packages such as raisins, nuts, crackers and cheese, and granola bars

PLEASE NO glass containers.

Thank you for praying for this ministry and these children as we reach out with God's love.
